Academic Year 2023 - 2024 (Vol. 5) | Jan-Feb 2024
(Newsletter from Santhosha Vidhyalaya)

BACK TO SCHOOL

Term 3 - Reopening Day

We started off the new term with a Parent Teachers Meet - A meaningful interaction with the parents of SV kids. Topics ranging from Safety and security of the kids in SV Campus, junk food, Special Coaching for NEET Classes, the opening of the Commerce Stream, and the plans to shift to the CISCE Board were covered by the Principal. Parents' feedback was collected through a jot-form on various issues, to find out the satisfaction level of the parents, and the ways and means to improve the standard of the school. Parents spent some time interacting with the subject Teachers about the academic performance of their children.

Confirmation

Some of our senior students took their confirmation on the 10th of January. The confirmation service was presided over by the Bishop of Tirunelveli. The students were gloriously dressed in white and with a heart of purity surrendered their lives to God which showed their confirmation in renewing their relationship with God and being even more strong in it. The confirmation service ended with huge a banquet for the whole school.

Pongal Celebration

The students had a great time during the Pongal Holidays. The kids were taken to Gooseberry Garden to enjoy nature and to perceive the happenings of the outer world. Various competitions were conducted among the students and they received their prizes accordingly. There was energy and enthusiasm among the students.

Workshop on AI and Robotics

As an innovative initiative by the alumni, our students from the middle school had an opportunity to dive into the fascinating world of AI and Robotics in a hands-on workshop!

In the two-day workshop for classes VI, VII and VIII, sparks of curiosity were flying as they explored circuits, made connections, and witnessed the magic of technology come to life!

Thanks to our wonderful Alumnus Abraham Sudharson [SVAA - Treasurer] for creating this experience

CDP – Shishya Team

During the Pongal week-end, a Child Development Program was conducted by Shishya Team, from Chennai. The team came up with some beautiful and meaningful sessions that made the students understand where they are and how to stay firm. A beam of positivity was spread among the students to enlighten the paths they walk through.

Republic Day

The students and teachers of Santhosha Vidhyalaya proudly unfurled the tricolour flag and were immersed in unity and patriotism. It's a reaffirmation of our commitment to the values that make our nation great. The whole community gathered on the school ground at 7:00 a.m. The students marched in their picture-perfect uniforms with their heads held high to show their sense of respect.

Visit from LDC

A few students and Professors from the Lady Doak College, Madurai, visited our school and spent time with class 12 girls. They had meaningful interaction with the girls conveying the opportunities and courses available to them at LDC. We also had three of our alumni representing the college and sharing their views.

Meet with the NASA Scientist

On the 1st of February 2024, our children from classes 9 to 12, had the privilege of attending a lecture by Dr Antony Jeevarajan, Senior Scientist from NASA, Houston, US. He talked about the topic "Space and Beyond". He gave insightful talk about the Mars Explorers sent by NASA, and the rigorous training which an astronaut has to undergo mentally and physically. He showed the pictures and interacted with the students freely, when they raised questions about the possibility of life in Mars, UFO, Black Holes and Aliens.

farewell

Au Revoir

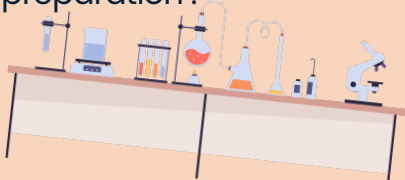

Farewell, SVians! Class of 2024

We had a poignant Candle light Farewell Service. The Std XI hosted the program; Stanley Prince and Rejoice Vedapriya of Class XII shared their experience in SV, with a mixture of pride and nostalgia. The Chief Guest Dr Beneson B, Professor in English, St John's College, spoke on the gravity of Positive Thinking. The song "Carry your candle" was sung after the students came forward to have their candles lit.

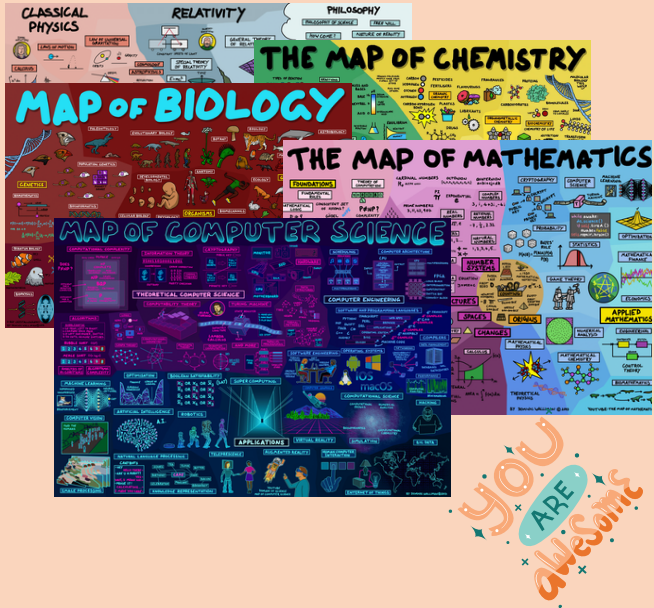

Our Correspondent Mr Jeremiah Rajanesan, spoke about the upcoming trends in the global and competitive world and the need to stay updated. As our graduates embark on the next chapter of their lives, we wish them nothing but success, happiness, and fulfilment. Congratulations, Class of 2024 – go forth and shine brightly! God bless you all dear ones.

Examinations

Our senior students have completed their practical examinations. The month of February was wrapped up with III MID Term Examination. Std I-8 completed their examination with lots of preparation.

Alumni Visit and Contributions

Alumni don't just reminisce about the past; they actively invite others into the fold, extending the warmth of the SV family to all who get close to them. As laughter mingles with tales of yesteryears newcomers find themselves seamlessly woven into the fabric of the SV family, embraced as kin from the very start.

We are fascinated by the love showered on us through them. Special thanks to our Alumni Mr. Stephen Jothiraj (Batch 2000) and his friend Mr. Siva Ratnakar from the US who have provided us with these captivating posters to motivate the students.

Accompanied by his wife and friend, Pastor Samraj Ranjith (Batch 2017) made a meaningful visit to the campus. He reminisced about their youthful escapades, pointing out landmarks that held special significance to him.

They visited the children from their parental organisation and encouraged them on their academic journey.
